National News—1965

1 *A Wave for Friends*—Cuban refugees waved to Cuban exiles on shore as their coast guard cutter approached Key West last fall. Such emotional scenes occurred frequently after Castro announced his "open door" policy, allowing certain groups of Cubans to leave his dictatorship.

2 *Pioneer in Space*—Astronaut Edward White stepped from his Gemini IV space capsule and into the void of space last June. Maj. James McDivitt, his companion on a 3½-day orbital flight, had to coax White back into the capsule after he had traveled 20 minutes suspended from Gemini IV. Gordon Cooper and Charles Conrad were the next space twins to orbit the earth. They completed their 8-day flight in Gemini V during August.

3 *Medicare Bill Signed*—President Johnson signed the Medicare Bill into law July 30 with former President Truman at his side. Witnessing the event that had far-reaching effects on Social Security benefits for the elderly were (left to right) Lady Bird Johnson, Vice President Humphrey and Bess Truman. The ceremony was held in Truman Library in Independence, Mo.

4 *Temporary Mood*—Dodgers Manager Walter Alston's mood of dejection after the Minnesota Twins won the sixth World Series game did not last long. The Dodgers emerged victorious in the 7th game and captured the pennant.

5 *Double Space Spectacular*—Astronauts Wally Schirra and Tom Stafford got this view of the Gemini 7 spaceship December 15 while traveling in their Gemini 6 craft for their historic rendezvous adventure. Schirra and Stafford rode their red-hot craft back to earth the following day, but Gemini 7 completed a 14-day mission before its re-entry. Making the longest and most significant voyage in space in Gemini 7 were Frank Borman and James Lovell, Jr.

6 *Plea for Peace*—Pope Paul VI stood before the United Nations General Assembly in New York on October 4 to deliver his plea for

world peace. His unprecedented, one-day visit in the U.S. was the culmination of plans by men of all faiths.

7 *After Surgery*—President Johnson was photographed in a reclining chair at Bethesda Naval Hospital the day after his gall bladder operation on October 8. He conducted the work of his office from his hospital room and his Texas ranch during his recuperation.

8 *Proud Student*—Charles Craig, 19-year-old freshman at Iowa university, demonstrated his criticism of draft-card burning incidents by displaying his draft card on his jacket with the note: "I'm a draft card carrying American and proud of it." Our role in the Vietnamese war sparked the incidents.

9 *Blackout*—The glittering metropolis of New York City was thrust into darkness on November 9 by a massive power failure affecting hundreds of miles along the eastern seaboard. City residents and commuters were stranded in offices, railroad and subway stations for hours before service was restored. The crippling condition was caused by a faulty relay at a Canadian generating station near Niagara Falls.

10 *New Ambassador*—Arthur Goldberg was named U.S. Ambassador to the United Nations by the President after the death of Ambassador Adlai Stevenson on July 14 in London. Goldberg was secretary of labor under President Kennedy and a U.S. Supreme Court Justice when named to the U.N. post.

11 *Startling Fashions*—Bold and contrasting blocks of color were the youthful fashion note of 1965. The eye-catching designs even extended the length of campus stockings worn with the costumes.

12 *Royalty on Tour*—Princess Margaret and her husband, Lord Snowdon, arrived in New York on November 4 for a whirlwind tour of the U.S. During their visit, they took time out for fun-filled activities such as a ride on a cable car in Frisco and gala parties in Hollywood and the nation's capital.

To our parents:

Who brought us into this world to
accomplish great things;
Who put us through our first years
of life in preparation for the years ahead;
Who put us through grade school in
preparation for high school;
Who put us through high school in
preparation for life alone;
Who understood us when we didn't
understand ourselves;
Who now send us along with their
best wishes to accomplish greatness;
We hereby dedicate the 1966 Crosironite.

The Class of '67 had a very successful year despite complications concerning the prom. The theme this year was "Evening in Paris" and was sponsored by the Junior Class Play, "The Mouse that Roared."

The class rings for '67 were unique in that the class could choose from either an oval or rectangular ring.

The Class would like to thank the members of the faculty and administration who advised and helped on the prom, play, and other class activities.

JR. CLASS OFFICERS INCLUDE Sharon Zimpel--secretary, Greg Marolt--treasurer, Dale O'Brien--president, Pat Smith--vice president.

Waiting

The Sophomores started off the year by winning a prize with their Homecoming float. With hard work on the part of their class officers, Teachers, and committees, they followed this up with one of the best class parties of the year. Live music, colorful decorations, and good food all helped to make it enjoyable.

Many things about the year were new and different. Classes were difficult and the work seemed to pile up. The dissection of frogs in biology, tests, notebooks being due the next day, were some of the unpleasant aspects. But old friends, new friends, and classmates, teachers, and driver's permits were some of the more pleasant phases. It was a pleasant year for all concerned, and the class looks forward to the rest of its school years.

The Crosby-Ironton Rangers, led to their Mid-State Championship by coaches Davies and Hallada, were defeated only three times this year and performed like professionals in every instance.

Four C-I Boys earned All-Conference ratings. Scott LeDoux, guard, and Jim Rocca, Tackle, who were also chosen to the Prep Parade, were said to be among the best in the Conference. Roger Landholm, quarterback, and Greg Rider, fullback, were also highly praised.

One of our boys was also chosen for the All-State title: Scott LeDoux.

Homecoming

The 1965-66 Homecoming started on a festive note with Miss Karen Milberry and Bob Smith crowned as Homecoming royalty. The attendants were: Sue Peterson, Moya Odonovich, Nancy Burns, Linda Habighorst, Mike Sabyan, Jim Manske, Bob Novak, Greg Rider. At the game something new was introduced. The burning of a large C-I on the football field inspired the team on to a stunning victory over Wadena.

LOVE RIDES THE RAILS, the Senior Class Play, was directed by Mr. Rude. This melodrama was effectively acted out by a cast of 16 Senior High students. Typical of 19th century plays, this play was a big hit with the audiences and played to full houses.

Like the month of March, the C-I Rangers started the 65-66 basketball season like a lamb and finished like a lion. Although Coach Kermeen put all he had into coaching, the boys thought they would wait until tournament time to really dig in.

The Rangers won their first games of the District Tournaments. They met Wadena for the second year in a row at the district finals held in St. Cloud. After a very rowdy game, C-I won by a two point margin. At Moorhead the story was just as gratifying. Benson was our first challenger, and after walking away with the honors, C-I went on to meet Henning, hailed as the number-one team in the state. The game was one that both teams will long remember. Henning won by two points in the last five seconds.

C-I will long remember this team and will agree that it was one of the best.

"Chief, the reason I came to see you - It's unbelievable!"

"They're after me - the men on the flying saucer!"

"Please let me fix the bomb so it won't be so dangerous."

The Junior Class Play directed by Mr. Rude was "The Mouse That Roared". It was the story of a tiny country called Grand Fenwick, which declared war on the United States. At first the United States sluffed off the declaration of war as a joke. But when an expeditionary force from Grand Fenwick invaded New York City with bows and arrows, the U. S. realized that it really was at war. By a twist of fate, Grand Fenwick won the war, leaving the United States at the Fenwickian's mercy.

"Even when we get the usual orders, that won't solve our problem."

Senior Choir

Jane Rosier and Dale O'Brien won superior ratings for their solos at the state-regional contest. Here they pose with their advisor, Mr. Kloos.

The Senior Choir under the direction of Mr. Kloos was very successful, receiving an A minus at district contest which was held here in Crosby. This enabled them to participate in the state contest. By selling candy, they earned enough money to see the opera, "The Barber of Seville" and to send some members to choir camp. At district solo-ensemble contest six superior ratings were received by C-I students. Four solos: Jane Rosier, Kris Krmpotich, Dale O'Brien, and Bob Olson; and two ensembles: Double Trio and Mixed Double Quartet. Besides putting on Christmas and Spring Concerts, they also sang for many school functions. The choir won a superior rating at the state-regional contest held at Morris.

World News—1965

1 *Humanitarian Dies*—Dr. Albert Schweitzer died in September at Lambarene, his primitive hospital at the African jungle outpost of Gabon. The famed physician, who reached his 90th birthday in January, worked most of his life to relieve the suffering of jungle natives.

2 *Queen Speaks*—Queen Elizabeth II dedicated the John F. Kennedy memorial at Runnymede, England on May 14. Mrs. Kennedy is seated to the left and Prince Philip to the right of the queen. Carolyn Kennedy is seated between the queen and her mother, and Sen. Robert Kennedy stands behind Mrs. Kennedy.

3 *Miss Universe*—The reigning queen of beauty in the universe during the year was a representative from Thailand.

4 *Bosch Returns*—Former Dominican Republic President Juan Bosch was vehement in his address at a rally September 25, shortly after his return to Santo Domingo.

5 *Wins in Run-Off*—Charles deGaulle polled 55.2 per cent of the vote in a run-off election against Francois Mitterrand on December 19. The vote gave DeGaulle the French presidency for another 7 years, but the strength of the Socialist-Communistic candidate corroded the popularity of the 71-year-old president..

6 *Agrees to Cease-Fire*—Pakistani Foreign Minister Zulfikar Bhutto (right) agreed in the U.N. Security Council on September 22 to accept the Council's cease-fire order in the undeclared war between Pakistan and India. Pakistan's announcement came after India had agreed to the order.

7 *Abortive Coup Fails*—Indonesian President Sukarno was toppled from power for a brief 20 hours last fall. He gestured at a cabinet

meeting on October 6 during his first public appearance after the coup, which seriously shook his one-man rule.

8 *Soviet Winner*—Russian author Mikhail Sholokhov was vacationing in the Ural region on October 18 when he heard he had been awarded the 1965 Nobel Prize for Literature. The December award ceremony was held in Stockholm.

9 *Return to Desolation*—Hundreds of families returned to the wreckage of their homes, destroyed by eruption of Taal volcano, south of Manila, on September 28. Volcanic ash covered a six-mile-square area. The death toll was estimated at 500.

10 *Price of War*—The number of casualties increased as the U.S. stepped up its military action in Vietnam. American advisors took part in many helicopter missions, carrying wounded soldiers, both Vietnamese and American, to copters on makeshift litters for evacuation to Saigon.

11 *Reason to Celebrate*—Chancellor Ludwig Erhard of West Germany waved to a cheering crowd in Bonn after his Christian Democrats surged to victory in the September 19 parliamentary elections. Mayor Willy Brandt's Social Democrats suffered defeat in the voting.

12 *Colonial Rule Shaken*—Rhodesian Premier Ian Smith broadcast a proclamation of sovereign independence for Rhodesia on November 11. The split from Britain was made in an attempt to insure a white minority rule of the African colony. It was the first such move against Britain since the American colonies broke away in 1776. Britain retaliated swiftly and took the problem to the U.N. Security Council, which asked all nations to enforce an oil embargo against the African colony.
